

Pueblo Gem & Mineral Show

YOUR OUTDOOR OASIS  IN TUCSON

February 2 - February 14, 2013

International Fine Mineral Building

The International Fine Mineral Building features 21 First Floor exhibit rooms and 4 suites displaying some of the finest mineral specimens in Tucson. Located just west of the South Pavilion and south of the Pearl Pavilion, the International Fine Mineral Building is highly visible and a prime destination for our show's mineral specimen buyers.
